**1** EXPLORE

## **EMPOWER YOUR LIFE**

New horizons. Familiar journeys. Surprising detours. Wherever life takes you, travel in comfort and arrive in style with Ford S-MAX. Stunning design blends with sophisticated technology and a dynamic driving experience to bring pleasure to every journey.

*S-MAX ST-Line with 18" alloy wheels (standard), Moondust Silver metallic body colour (option) and ST-Line Lux Pack (option).*

## EXPLORE

### S-MAX HYBRID

#### THE BEST OF BOTH WORLDS

Powered by Hybrid Electric Vehicle technology, the new S-MAX Hybrid combines electric and petrol power to provide effortless performance and a smooth, refined drive.

By switching seamlessly between its electric motors and petrol engine it eliminates charge range anxiety so you can enjoy the ride. And to make the whole system even more efficient, regenerative braking captures up to 90 per cent of the energy that would be normally lost during braking, and uses it to recharge the high-voltage battery.

Able to deliver pure electric and combined petrol-electric propulsion, S-MAX Hybrid features an electronically controlled power-split automatic transmission for a smooth, efficient and thrillingly responsive driving experience. While an innovative instrument cluster provides instant feedback on how your driving style is affecting efficiency.

- **Hybrid Electric Vehicle** technology combines the benefits of both electric and petrol power
- **Regenerative braking** captures energy usually lost during braking and uses it to recharge the high-voltage battery

**1** EXPLORE

## **NO COMPROMISE**

You're not one for compromise. So when you need a car that can carry up to seven\* people that is spacious and comfortable, yet is still a great-looking vehicle, there's only one choice to make. The Ford S-MAX has room for everything, except compromise. So get out there and enjoy life to the fullest.

\*Seats up to seven people when an optional third row of seating is not folded.

S-MAX Vignale shown in Magnetic metallic body colour with premium perforated leather in Ebony seat trim.

**1** EXPLORE

## REFINEMENT REDEFINED

The Ford S-MAX Vignale radiates with refinement, combining the finest traditions of craftsmanship and a host of forward-thinking technologies. Exclusively sourced Ford Vignale leather offers a natural, glove-soft touch for an extra-sumptuous feel across the fascia, door inserts, and elegantly quilted seats.

\*Seats up to seven people when an optional third row of seating is fitted.

S-MAX Vignale with 19" 10-spoke alloy wheels (standard) and Blue Panther metallic body colour (no cost option).

## PANORAMA ROOF

Enjoy the beauty of the outdoors from the comfort of your Ford S-MAX. A full-length glass panorama roof lets the sun shine in, while a solar reflect coating and powered sunblind provide shade and privacy when required. The feeling of comfort offered by the panorama roof is further extended by the addition of an infrared front windscreen and rear manual sunblinds (option).

*S-MAX ST-Line shown with panorama roof (option) and Salerno leather in Ebony with red stitching seat trim (part of optional ST-Line Lux Pack).*

SYNC

## EXPLORE

# CONNECTED AND IN CONTROL

### FORD SYNC 3

Available Ford SYNC 3 integrates seamlessly with your smartphone to make communication and navigation effortless\*. You can control SYNC-compatible apps with AppLink, while Apple CarPlay and Android Auto let you use the 8" colour touchscreen as if it were your smartphone handset. Using the touchscreen or simple voice commands, you can make calls, write and listen to text messages, and control your music and satellite navigation.

### FORDPASS CONNECT

The FordPass Connect modem that's built into your car enables a range of features designed to make driving easier and more enjoyable\*\*. These include Live Traffic† that delivers up-to-date traffic information to your SYNC 3 Navigation system, and Local Hazard Information†† that can warn you of upcoming hazards before they are encountered. In the event of an accident, eCall‡ helps occupants place a call with the emergency services and shares your location. While for optimum connectivity, it also provides on-board Wi-Fi\*\*\* for a maximum of ten devices.

### FORDPASS APP

Get the most from your connected car experience with the FordPass app®, from smart remote features to detailed vehicle health reports, the FordPass app lets you access even more functions via your smartphone. For peace of mind you can start†††, lock or unlock your vehicle wherever you are, and even defrost the windscreen and activate the heated seats and heated steering wheel (where fitted) on a cold winter's morning.

Health Alerts send important information, including tyre pressure and fluid level warnings such as oil life, direct to your phone.

Other FordPass app features include My Journeys, that can record your trips and deliver tailored insights on how to optimise your driving technique. Each journey is tracked and stored, allowing you to compare by distance, duration, and more.

FordPass also helps with security; you'll receive a notification if your car's alarm is activated, no matter where you are. The Guard mode feature takes security a step further and alerts you on your smartphone of any unauthorised access attempts – even with a stolen or duplicate key.

**Please note:** Full SYNC 3 smartphone integration is only available with iPhone 5/Android 5.0 (Lollipop) or higher. 100% connected. Only AppLink would incur charges. To check whether Apple CarPlay and Android Auto are available in your market, please refer to official Apple CarPlay and Android Auto websites for the latest information. Map updates are complimentary for a limited time following vehicle registration.

\*Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

\*\*The on-board modem will be connected at the time of vehicle delivery. You may choose to opt in/out of certain data sharing. Where available, FordPass Connect remote features are complimentary for 10 years, thereafter a subscription may be payable.

\*\*\*Wi-Fi hotspot (up to 4G LTE) includes a complimentary wireless data trial for a limited time only that begins at time of activation. Afterwards, data bundles can be purchased from Vodafone. Please refer to their website for details of their data packages. To take advantage of the built-in Wi-Fi hotspot capability, Ford vehicles must come with the appropriate hardware, and a data plan is required. Data coverage and service is not available everywhere and terms of your data plan, including applicable message and data rates, may apply.

†Live Traffic access is complimentary for the first 12 months following the registration of a new Ford featuring SYNC 3 with navigation; thereafter a licence subscription is required.

††Local Hazard information is complimentary for the first 12 months following the purchase of a new Ford with certain driver information modules; thereafter a licence subscription is required.

†††Remote start only available on models with automatic transmission.

‡Ford eCall shares vehicle location and helps the occupants initiate a call in their respective language to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions.

®FordPass app, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

### Active Park Assist<sup>02)</sup>

Can help you to parallel park or perpendicular park. Once activated, the enhanced system can help you to locate a suitable space as you drive past and will automatically guide you in, while you operate the pedals (following on-screen and audible signals). Park-Out Assist can help you manoeuvre out of a parallel parking space in a similar way (part of optional Driver Assistance Pack).

<sup>0)</sup>Uses sensors. <sup>2)</sup>Driver Assistance feature. Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

### Adaptive Lighting with Dynamic LED headlights

Detects different road conditions and selects the appropriate beam pattern. Dynamic curve lights throw the beam inside the curve to let you see further and sooner. The headlights incorporate daytime running lights, with three LED strips that also function as turn indicators, flashing sequentially towards the direction of turn (part of optional Titanium and ST-Line Lux Packs, standard on Vignale).

### Glare-free high beam

Lets you drive on high beam without dazzling other road users. Sensors identify traffic ahead of your car and adjust the high beam pattern to help protect other road users from glare, while illuminating the remainder of the road for greater visibility (part of optional Titanium and ST-Line Lux Packs, standard on Vignale).

### Front wide-view camera<sup>2)</sup>

Front camera with split-view technology offers almost 180-degree view to the front and supports you when parking in and out of parking bays with restricted visibility. (Option on Titanium, ST-Line and Vignale)

<sup>2)</sup>Driver Assistance feature. Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. Cameras only operate at speeds under 6 mph (10 km/h).

### Intelligent All-Wheel Drive

Continually monitors where power is needed, and can automatically apply the required torque to each wheel for added confidence, whatever the road conditions (only available with 2.0L EcoBlue 190 PS).

### Adaptive Cruise Control with Stop & Go<sup>\*2)</sup>

Maintains a comfortable distance from the vehicle ahead, and can even bring your car to a complete stop and move off again as the traffic allows (part of optional Driver Assistance Pack).

\*Stop & Go is only available with automatic transmissions

**Pre-Collision Assist with pedestrian and cyclist detection<sup>02)</sup>**

Detects potential collisions with other vehicles, cyclists and pedestrians, and can help avoid or reduce the severity of accidents. If a potential collision is detected, the driver will receive visual and acoustic warnings, and the braking system will be prepared. If the driver does not react, the system can automatically apply full braking force. (Option)

<sup>0</sup>Uses sensors. <sup>2</sup>Driver Assistance feature. Driver-assist features are supplemental and do not replace the driver's attention, judgement and the need to control the vehicle. Pre-Collision Assist with Automatic Emergency Braking can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations.

**Ergonomic seats with AGR certification\***

help support your back. These ergonomically designed, 18-way manually-adjustable front seats with AGR accreditation are ideal for longer journeys (option).

\*The AGR quality cachet (Aktion Gesunder Rücken = Campaign for Healthier Backs): Certified and recommended by Association Forum Healthy Back – Better Living and Federal Association of German Back Schools. More information: AGR e.V., Stader Str. 6, D – 27432 Bremervörde, Germany. Phone + 49 4761/92 63 580.

**Blind Spot Information System with Cross Traffic Alert and Variable Rear Range<sup>02)</sup>†**

If another vehicle – a car, van or lorry – enters your blind spot, the system is designed to alert you with a warning light built into the corresponding door mirror. The blind spot detection zone will vary up to a range of 18 metres, depending on the speed of the vehicle (part of optional Driver Assistance Pack).

<sup>0</sup>Uses sensors. <sup>2</sup>Driver Assistance feature. Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. <sup>†</sup>Designed to operate at speeds above 6 mph (10 km/h).

**Ford Clearview Front Wiper System**

Improves visibility by delivering the washer fluid directly into the path of each wiper blade as it moves across the windscreen (standard).

**Traffic Sign Recognition<sup>0</sup>**

Is designed to automatically read standard format road-speed signs and display the posted speed limit in the instrument cluster

<sup>0</sup>Uses sensors.

**Hands-free tailgate**

Makes opening or closing S-MAX's tailgate easy, even when your hands are full. With the keys in your pocket or bag, simply use a gentle kicking motion under the centre of the rear bumper and the tailgate will operate without you having to touch a thing (part of optional Titanium and ST-Line Lux Packs).

# 2

## SELECT

Available in a range of uniquely individual series, it's never been easier to choose a new Ford S-MAX. Whether you prefer the comfort of a Luxury vehicle, or the fun-loving dynamics of Sport, there is a new Ford S-MAX to suit you. To make your purchase choice even more rewarding, we've elevated the standard of features across all series. So now, whichever S-MAX route you decide to take, you can be sure of a higher level of standard features, as well as a host of add-on features available as part of an option pack.

### Zetec (not available in the UK)

With its elegant design and impressive integrated technologies, a Ford S-MAX is the perfect choice to satisfy all your driving needs.

#### Key features

- 17" 10-spoke Sparkle Silver alloy wheels
- Electrically-operated, power-foldable and heated door mirrors with body colour housings, side indicators and puddle lights
- Ford Power starter button
- Quickclear heated windscreen
- Pre-Collision assist

### Titanium

Ford S-MAX luxury models deliver superior levels of sophistication and comfort, with premium materials and additional technologies to make driving an even more pleasurable experience.

#### Key features

- 17" 5x2-spoke Sparkle Silver alloy wheels
- Front LED fog lights
- Roof rails (satin aluminium-finish)
- 10.1" colour TFT cluster display (diesel engines only)
- Ford DAB Navigation System

### ST-Line

With the distinctive eye-catching individuality of ST-Line Edition, the S-MAX sports model delivers sporty driving dynamics, along with agility and control.

#### Key features

- 18" 10-spoke machined/painted matt black alloy wheels
- Bodystyling kit (includes unique front and rear bumpers, fog lights, upper and lower grille and rocker panel mouldings)
- Sports suspension
- Front door bright-finish scuff plates with ST-Line logo
- Black roof rails

### Vignale

For the ultimate S-MAX ownership experience, Vignale combines elegance and exclusive craftsmanship with the very latest technologies.

#### Key features

- 19" 10-spoke polished aluminum finish alloy wheels
- Unique Ford Vignale exterior styling with chrome detailing
- Adaptive Lighting with Dynamic LED headlights and glare-free high beam
- Leather-trimmed instrument panel
- Ford SYNC 3 Premium Sony DAB Navigation System with 12 speakers

## Titanium

### Exterior features

- 17" 5x2-spoke alloy wheels
- Front LED fog lights
- LED daytime running lights
- Automatic headlights with auto high beam
- Rear privacy glass
- Chrome window surround
- Silver roof rails

### Interior features

- Ford DAB Navigation System
- Lane-Keeping Aid with Lane Departure Warning
- Traffic Sign Recognition
- Front seat back table trays
- 230 V Power outlet
- Ford KeyFree System with Ford Power starter button
- Interior ambient lighting
- 10.1" semi-digital colour cluster

### Engines

#### Diesel:

- 2.0L Ford EcoBlue 150 PS (110 kW)
- 2.5L Duratec FHEV 190 PS (140 kW)

### Transmissions:

- 6 speed manual
- 8 speed automatic
- CVT Automatic

## ST-Line

### Key exterior features additional to Titanium

- 18" 10-spoke alloy wheels
- Halogen headlights and LED rear lights with black surrounds
- Power-foldable door mirrors with driver's dimming, memory function and auto dip with reverse gear selected
- Bodystyling kit (includes unique front and rear bumpers, fog lights, upper and lower grille and rocker panel mouldings)
- Rear spoiler
- Red brake calipers
- Sports suspension
- Black roof rails

### Key interior features additional to Titanium

- Perforated leather-trimmed steering wheel with red stitching
- Heated steering wheel
- Leather-trimmed gearshift gaiter with red stitching
- Salerno part-leather sport seats with red stitching
- 8-way power and variable heated front seats
- Memory driver's seat
- Aluminium sports pedals
- Front door scuff plates with ST-Line logo
- ST-Line floor mats with red stitching
- Dark themed interior

### Engines

#### Diesel

- 2.0L Ford EcoBlue 190 PS (140 kW)
- 2.5L Duratec FHEV 190 PS (140 kW)

### Transmissions

- 8 speed automatic
- 8 speed automatic All-Wheel Drive (AWD)
- CVT Automatic

## 2 SELECT

### Vignale

#### Key exterior features additional to ST-Line

- 19" 10-spoke alloy wheels
- Fog lights with high gloss black bezel and chrome surround
- Adaptive Lighting with Ford Dynamic LED headlights and glare-free high beam
- Unique Ford Vignale exterior styling with chrome detailing
- Metallic paint
- Enhanced power-foldable door mirrors with driver's dimming, memory function and auto dip with reverse gear selected
- Rear-view camera
- Bright-finish dual exhaust
- Power tailgate

#### Key interior features additional to ST-Line

- Ford SYNC 3 Premium Sony DAB Navigation System with 12 speakers
- Premium perforated leather trim
- Climate controlled front seats
- 10-way power multi-contour front seats with massage
- Leather-trimmed instrument panel
- Active Noise Control
- Luxury serged edging carpet floor mats, front and rear
- Front door bright-finish scuff plates with Vignale script
- Enhanced ambient lighting

#### Engines

##### Diesel

- 2.0L Ford EcoBlue 190 PS (140 kW)
- 2.5L Duratec FHEV 190 PS (140 kW)

##### Transmissions

- 8 speed automatic
- 8 speed automatic All-Wheel Drive (AWD)
- CVT Automatic

## 4

## SPECIFICATIONS

Get to know your new Ford S-MAX inside and out, from its intelligent engine technology to its generous equipment level.

#### 1 12 V service battery

The 12-volt battery keeps all the electrical systems running while your car is parked, including security systems, clock and computer memory.

#### 2 High-voltage battery

S-MAX Hybrid's 1.1 kWh lithium-ion battery is mounted under the floor to avoid intruding on the interior space.

#### 3 eCVT transmission

Advanced water cooled power-split automatic transmission seamlessly adjusts the gear ratios for smooth, refined performance and greater fuel efficiency.

#### 4 High-voltage battery cooling lines

The high-voltage battery is water cooled to help maintain its performance and efficiency.

#### 5 Audible Vehicle Alert System

External speakers emit an audible warning sound at speeds up to 12 mph (20 km/h).

#### 6 2.5L Atkinson-cycle engine

S-MAX Hybrid combines a 2.5L Atkinson-cycle\* petrol engine with an electric motor and a Regenerative Braking System to help enhance fuel efficiency and recharge the battery.

#### 7 DC/DC converter water cooled\*\*

Provides a 12-volt supply to charge the 12-volt service battery and run the vehicle's electrical accessories.

#### 8 Inverter System Controller

Manages the hybrid powertrain control components, including DC-to-AC and AC-to-DC conversion\*\* to drive the AC electric motors with DC electrical energy in the high-voltage battery.

#### Warm your vehicle before you go

FordPass app† allows you to warm your vehicle remotely, so on colder days you can be sure that your cabin environment is welcoming and comfortable from the moment you step inside. (Available with automatic transmission only)

\*An Atkinson-cycle engine does not develop as much power as an Otto cycle engine, but offers greater fuel efficiency. It is specifically designed to work in conjunction with an electric motor.

\*\*AC and DC describe types of current flow in a circuit. In AC (alternating current), the electric current constantly changes direction. In DC (direct current), the current flows in one direction only.

\*\*\*Due to the complexity of the power-split hybrid powertrain technology (petrol + electric motor) and the nature of the measurement methodology, the performance level (System Power) has always got some tolerances and may vary. †FordPass app, compatible with select smartphone platforms, is available via a download. Message and data rates may apply.

## 4 SPECIFICATIONS DIMENSIONS

Exterior (mm)	
Overall length without tow bar	4804
Overall width with/without mirrors	2137/1916
Overall width with folded mirrors	1953

\*In 4th gear. <sup>o</sup>Ford test figures. <sup>oo</sup>The declared Fuel/Energy Consumptions, CO<sub>2</sub> emissions and electric range are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO<sub>2</sub> emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO<sub>2</sub> emissions and electric range. CO<sub>2</sub> is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO<sub>2</sub> emissions which contains data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <https://carfueldata.vehicle-certification-agency.gov.uk/>

<sup>#</sup>Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. Towing limits quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. Gross Train Mass includes trailer weight. \*Gradient at sea level.

\*Ford Emergency Assistance is an innovative SYNC feature that uses a Bluetooth®-paired and connected mobile phone to help vehicle occupants initiate a direct call to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions. \*\*FordPass Connect features and Live Traffic are complimentary for a limited time period following registration of the vehicle, thereafter a subscription is payable. Wi-Fi hotspot includes complimentary wireless data trial that begins at time of activation and expires at the end of the initial trial period or trial data is used, whichever comes first. Afterwards a subscription to Vodafone is required (please refer to their website for details of data packages).

## Purchase

Getting behind the wheel of your next new Ford is simple, with a variety of finance options.

### Build your vehicle

Build and personalise your vehicle online. Simply head to the Ford website, select your model, then choose your engine, body colour and extras. You'll be able to view the recommended price, and send your configuration to a Ford Dealer if you wish.

[www.ford.co.uk/cars](http://www.ford.co.uk/cars)

### Find a Dealer and request a test drive

You can search for a Ford Dealer by location or Dealer name on the Ford website, and request a test drive online. Simply fill in your details and your chosen Dealer will contact you to arrange a convenient time.

[www.ford.co.uk/dealer-locator](http://www.ford.co.uk/dealer-locator)

### Finance

When it comes to financing your vehicle, our size and expertise means we're well placed to provide you with a wide range of finance products.

Ford Credit\* provides a range of finance products for your vehicle whether you are a private or business user.

Ford Lease^ specialises in contract hire and leasing and provides an alternative range of finance plans which can be tailored to suit your business.

For more information about our finance products visit [www.ford.co.uk/finance/ford-credit](http://www.ford.co.uk/finance/ford-credit)

\*Finance subject to status. Guarantees may be required. Freepost Ford Credit. Ford Credit is a trading style of FCE Bank plc. Which is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority under firm reference number 204469.

^Ford Lease is provided by ALD Automotive Limited acting as Ford Lease BS16 7LB. ALD is registered in England No. 987418. ALD is authorised and regulated by the Financial Conduct Authority.

### Ford Insure

Designed specifically for Ford owners, Ford Insure† offers value, simplicity and a range of benefits that really matter to you.

- Repairs by experts at one of our authorised Ford Repair Centres
- Guaranteed repairs for as long as you own your Ford
- Genuine Ford Parts and manufacturer-spec glass
- Courtesy car whilst your Ford is being repaired at an authorised repairer
- Free 24 hour emergency help lines
- Named Drivers earn a Ford Insure No Claims Bonus which can be used on any Ford Insure car insurance policy
- Up to 90 days cover to drive in Europe

[www.fordinsure.co.uk](http://www.fordinsure.co.uk)

†Terms and conditions apply. Ford Insure contracts are arranged, administered and provided by EUI Limited. EUI Limited is a subsidiary of Admiral Group plc and is authorised and regulated by the Financial Conduct Authority (Firm reference number: 309378). Registered in England and Wales as EUI Limited Reg. No. 2686904 Registered Address: Ty Admiral, David Street, Cardiff CF10 2EH.

### FordPass app

Unlock your car's full potential with the FordPass app. FordPass seamlessly connects you with your vehicle, keeping you moving in intelligent, intuitive ways. From optimising the route of your journey, self-diagnosing and sending you vehicle health alerts, pre-heating your vehicle before you get in, to helping you find your way back to your parked car on a map. It even removes the worry of whether you locked your car, thanks to Remote Lock and Unlock.

[www.ford.co.uk/owner/owner-services/fordpass](http://www.ford.co.uk/owner/owner-services/fordpass)

## 5 Purchase Protect

### Ford Service

With Ford, the service doesn't end when you leave the showroom. Ford Service is designed to keep your Ford in great condition and help you make the most of your car throughout its life.

- Ford Online Service Booking
- Contactless servicing options, for your convenience and safety
- Comprehensive service and maintenance plans
- Use of genuine Ford parts for added peace of mind
- Ford-trained technicians using the latest diagnostic equipment and tools
- One call for everything Ford 0203 564 4444
- Ford Accident Management, service free to all drivers
- Up to 12 months' UK and European Roadside Assistance (at participating Dealers)

[www.ford.co.uk/owner/owner-services/ford-service](http://www.ford.co.uk/owner/owner-services/ford-service)

### Ford Protect

Extend your standard 3-year/60,000 miles warranty to 4 years/80,000 miles or 5 years/100,000 miles with Ford Protect. Key benefits include\*:

- High flexibility in duration and mileage
- Cover against unexpected electrical and mechanical repair costs in the UK and Europe
- The price of covered parts and labour are guaranteed for the length of your plan

Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

[www.ford.co.uk/owner/my-vehicle/warranties](http://www.ford.co.uk/owner/my-vehicle/warranties)

\*Ford Protect terms and conditions apply. Please call 03702 416 726.

### Ford Protect Service Plans

With various payment options available, you can cover the cost of your recommended scheduled services for up to 4 years from the day your new Ford is delivered. This can work out cheaper than paying for individual services and gives you added benefits:

- Ford Assistance – your UK and European Roadside Assistance will be increased to the length of your plan
- Vehicle hire – in the event that we can't finish any warranty work within 24 hours, we'll lend you a courtesy car for up to 7 days\*\*
- A full Ford Service History, which may enhance your car's resale value

[www.ford.co.uk/owner/service-and-maintenance/service-repair/plans](http://www.ford.co.uk/owner/service-and-maintenance/service-repair/plans)

\*\*Subject to availability and status, excluding fuel and insurance costs.

**Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. ♦ The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
